

Registration Form
Grapes of Arkansas Workshop and Field Day
 University of Arkansas Fruit Research Station
 1749 State Highway 818, Clarksville, AR 72830
Tuesday, September 17, 2019 from 2:00-7:00 pm

The University of Arkansas System Division of Agriculture will be hosting a Grapes of Arkansas Workshop and Field Day at the Fruit Research Station at Clarksville on **Tuesday, September 17th**. We have an array of speakers for this workshop to give updates on table, wine and muscadine grape production in Arkansas. In addition, we will have a display of muscadine cultivars and selections developed by the muscadine breeding program at this facility, and a tour that will emphasize the Division's grape breeding program. Whether you are a new or potential grape grower or processor, this is a great opportunity! *This workshop is funded by the Arkansas Association of Grape Growers.*
